

# AMS NZ AGM Agenda 2023

Date: Saturday 9<sup>th</sup> September 2023

## Agenda Items:

Apologies Members in Attendance

Recognition of members who have passed in the last year

President's report

Treasurer's report

Election of committee members and officers

General business

- Organisation name change

### **Background:**

1. The scope and nature of this specialty has broadened to beyond just aircraft-related matters. We feel the time is right to reflect this by changing the Society's name from Aviation to Aerospace Medical Society;
2. It is appropriate to reflect the bicultural foundations of this country in the Society name, by updating the country name to Aotearoa New Zealand.

### **Motion:**

We move that the Society change its name to the Aerospace Medical Society of Aotearoa New Zealand, abbreviated to AMSANZ.

Proposed: Michael Drane (President)

Seconded: Stuart Farmer (Treasurer)

- Easter 2024 conference
- Two new membership categories

Other Business

Close of meeting
